

IFYHA Board Meeting
August 5, 2007

Attendees: Bev Hott, Rex Andersen, Rob Hergeshiemer, Brad Francis, Stacy Dogal, Margaret Wimborne, Kathy Vernon, Liz Branter, Jodee Woodward, Mike Lehto, Brian Latham, Robert Johnson, Barb Novich

Approval of the July Meeting Minutes: It was moved (Brian Latham) and seconded (Margaret Wimborne) that the July meeting minutes be approved. The motion passed.

Locker Keys: New keys to the division lockers at the rink were distributed. We had the locks changed over the summer. Division Directors will distribute the keys to their coaches.

IFYHA Logo: It was moved (Brad Francis) and seconded (Barb Novich) that the IFYHA adopt logo #6 as the official association logo. All jerseys will say "Idaho Falls Eagles" and all other merchandise (warm ups, hats, sweatshirts etc) will say "Idaho Falls Hockey". The motion passed.

IFYHA Warm Ups: It was moved (Robert Johnson) and seconded (Margaret Wimborne) that warm ups are available for purchase at the hut. A major company like Bauer or CCM will be used so changes in styling from year to year will be minimal.

New Rink Committee Update: Doug Blank reported on the status of the new rink committee. They have been talking with the city, the Rec Department and Ball Enterprises about a location by the new greenbelt. We are interested in a 2 sheet arena which will have one sheet of ice up year round and the other sheet will be multi-function (volleyball, RV shows, concerts, etc). The committee is working on getting a simple drawing of the proposed facility to take to the different user groups to see what they would need in the facility. We will be able to get a 3-D/fly over view of the drawing at a later date for presentations. The Rec Department, city, Ball Enterprises and the Mayor have all verbally endorsed the new rink. The new rink committee wants to have a design then they will begin trying to raise money. They may ask IFYHA for the money for the simple design. Contact Doug Blank or Tracy Scott if you have questions.

New Roof: The city just got the estimate to replace and insulate the roof. It is \$191,000. IFYHA will stick with our original amount to donate (approved in April 2006) to help pay for the new roof.
