

Idaho Falls Youth Hockey Association
Meeting Minutes
August 1, 2010

Members in attendance: Bev Hott, Robert Johnson, Brian Latham, Pam Kantack, Mindy Renfro, Nancy Carpenter, Doc Blank, Lisa Scott, Kathy Vernon, Bill Combo,

Meeting Minutes from July meeting approved as read: motioned by Doc and seconded by Nancy. All in favor.

Business:

- (1) Girls Petition postponed until the August meeting.
- (2) Heat press discussion: need someone to monitor and inventory all items and keep track. Bev was ready to purchase the heat press and was trying to figure out how to make all of the ordering, inventory work. We either need to table the purchase or someone would need to volunteer to be in charge of the heat press to include inventory, ordering, and billing to all teams that use the press. Discussion tabled for now and order is on hold.
- (3) Girls Scholarship Fund – Kathy would like an incentive to all members of IFYHA, no matter what age level, to recruit a NEW girl to the program. Recruiting member must be a current member of IFYHA and must recruit a NEW GIRL player. Scholarship may be reimbursed to current member in January after form is completed and given to the scholarship committee for review. A total of \$1500 for 5 years will be available. Siblings are not eligible. Will use a “Facebook” page for finding application. More information will be available at the next meeting.
- (4) Wireless has been installed at the Red Lion so we will be able to have laptop computers available for members to complete background checks, registration, etc. at the opening meeting on October 12th.
- (5) Afternoon ice times: Bev discussed with the City the slot from 2:30 to 3:30 being available for all in the community, not only our players, for stick and shoot. Since school schedules have changed, the fear of the ice not being used is an issue. IFYHA would still want the ice available for kids that can attend. City was agreeable. Players will have to probably pay a ‘stick-n-shoot’ fee.
- (6) Disciplinary rules – tabled until next meeting. Bev will email revision for voting at the September meeting.
- (7) IAHA meeting – voted that Bev, Brian, Kathy, and Rex will represent IFYHA at the IAHA meeting in CDA, September 18th.

(8) All tournaments in Idaho are listed on the IAHA website.

(9) Next meeting September 12th.
