1. Approval of October minutes.
2. Facility usage:
 - a. locker rooms: no pucks or sticks and no floor hockey. Parents in lobby ONLY- not in hall and no little kids in hall or locker rooms. Signs will be made to designate locker rooms.
 - b. Coaches office: equip lockers will be labeled. 1 locker is universal equip.
 - c. Upstairs usage: when we have the facility, upstairs is for our use. No pucks or sticks or floor hockey.
 - d. Keys: city said NO keys. 3 keys for IFYHA only.
 - e. Heaters: Bev had only key and the power box was locked and mite parents were freezing. DO NOT LOCK THE HEATER BOX!
 - f. Hut: 3 keys only.
 - g. Treats/food/H2O: **No food in locker room! (city policy)** Begin with the mites and instill in the players a respect for our new facility. Mite parents will have to hand out food in the lobby area- we have a nice new lobby with plenty of room now.
3. Travel dates: email Steve Bailey when you have dates for travel. There is lots of ice time for Christmas and Thanksgiving.
4. Disciplinary Actions: be consistent and check policies and procedures. Get the reports to Bev.
5. Registration numbers are at 321
6. Growth coordinator: Tracy Scott and Arn Berglund will help as a committee member.
7. Locker room supervision: 2 parents need to be watching kids- no cell phones and no floor hockey. Have them place their sticks in corners- soon there will be a stick rack. Clean locker rooms when done.
8. Steve Heaton is referee scheduler. He needs contact info and game formats from each division. They will be posted for refs before games. Perhaps they should be posted in the score box as well. Coaches need cards to show refs before games.
9. Sound system: need properly trained people.
10. Action Digital Photography was voted and approved to take team photos.
11. Collection (service project) for hotel minis for donation to the Haven or to Mens Shelter. Batalden will find a container and make a sign. Keep your mini shampoos!

Next month: defibrillators will be discussed.
