

IFYHA March, 2011 Board Meeting  
Minutes

In attendance: B. Hott, R. Johnson, Mr. Latham, Mrs. Carpenter, Mrs. Ferrara, Mr. Heaton, Mrs. Scott, Mrs. Baker, Doc Blank, Mr. Combo, Mrs. Neskovich, Mr. Wehausen, Kristina Batalden

Meeting Minutes from February's meeting: Approved with a change made. Mr. Combo asked for the sentence containing, "massive communication failure occurred..." to be deleted because it doesn't quite give an accurate depiction of actions. All in favor of the motion to delete and then approved.

1. Beth Ferrara has all trophies and awards to be picked up from her by all divisions for banquets.
2. A. Neskovich has all banquets scheduled.
3. Division head coaches need to collect any playmaker, hat trick, and zero patches from Bev.
4. Please turn in tournament binders to Mindy Renfro. She will be using them again.
5. Sign up to help at hut during player dev. camp.
6. Wal-mart/IFYHA clean up project scheduled for April 9<sup>th</sup>. No painting, but perhaps trash pickup. \$5000.00 donated to association. Plan on helping out!
7. Please turn in locker keys (in the coaches room) to Bev.
8. Pam Kantack would like to be considered for the Registrar for the next year. Mr. Combo moves to approve effective as soon as Mindy leaves the position. Motion approved.
9. Goalie Development Coordinator position to work with J. Disanza. Discussion over this coordinator position which will help Jim with developing goalies in our association. Alisa Neskovich would like the position. Bill Combo motions to approve the creation of the position. Motion for the position to be added is approved.
10. Ice times and dates. City will want public skate from 7-9 pm on Friday nights and 2-4 pm on Saturdays during the entire season next year. Mite division is concerned about being constantly bumped for tournaments, however Fridays often work well. Mites would really like 3 slots of ice time considered for the next year. Bev encourages everyone to check out the ice schedule that is on the city web site and examine its complexities. It is a difficult thing to accommodate each division and the great number of athletes that are part of the association. Doc suggests a 'proposal' meeting where they paste the schedule up and work together (division directors) to create a schedule.
11. Turn jerseys in to directors and please collect the socks.
12. When new positions need to be filled for the next year, it is imperative that the new person is TRAINED for the position. Each director or parent rep needs to be prepared to TRAIN the newbie coming in.

13. Brian Latham brought up more high school tournaments next year in place of (?) travel tournaments. This year the HSchools traveled. Next year perhaps these tournaments could be scheduled.
14. Steve Heaton discussed the 261 refs for games. The refs showed up on time and responsive. We currently have five high school refs, one bantam ref, and one peewee ref. Discussion occurred about the possibility of holding a ref meeting in the spring instead of the fall.
15. Next meeting APRIL!
