IDAHO ALPINE CLUB GENERAL MEETING

"TREKKING THE ANNAPURNA CIRCUIT"

BRING A FRIEND AND ATTEND

WEDNESDAY, DECEMBER 2, 2009 ~ 7:30 PM

IDAHO FALLS LIBRARY

Steve Priebe will entertain us with slides of his 26 day trek of the Annapurna Circuit which he completed three years ago this November. Steve walked 200 miles and cumulatively climbed 50,000 feet. Even more remarkable, he did the trip on his own, eschewing the services of a guide or outfitter. Nights were spent in teahouses and companions were people Steve met along the way. Steve traveled through the Manang District and visited the temple of Muktinath built in 1815. He walked through the Kali Gandaki between Annapurna and Dhaulagiri, a 21,000 foot deep valley which ranks as the deepest valley on earth. Annapurna base camp was also on Steve's itinerary as well as Thorung La Pass, at 18,000 feet, the highest point on the trip.

Come to the meeting to enjoy Steve's slide presentation and learn about this scenic part of the world.

The meeting is open to the public and all outdoor enthusiasts are invited to attend.

President Speaks

We have two new council members after the annual membership party. Al Jantz and Matt Sweetser are the new council members and Donna Whitham and myself are returning for another term. I would like to thank everyone that volunteered to run for positions on the council. Thank-you for the good work to the council members whose terms are expiring at the end of this year: Jim McBride, Teak Cummings, Donna Whitham and myself.

If you didn't make it to the 49th Annual Meeting and Membership Drive Party, you missed another one of Teak's outstanding parties. Many thanks to Teak for all the work to put on the party and to Wilderness Books, the Whithams, and the IAC for donating raffle prizes for the annual party.

I would also like to thank all the activity coordinators for the past year. Getting involved is what has made the club work for the last forty-nine years. As the IAC begins its 50th year, resolve to participate in some of the meetings, parties like the membership party, and especially the trips. Don't worry if you don't have someone to go with. The activity coordinator wants you to go with them. Call the activity coordinator and make plans to go, it's that simple. If you have a really great idea for a trip, talk to the appropriate activity coordinator about it. Remember that the bulletin editor will need some time to get the trip listed in the news letter so plan ahead...

Mark Whitham

Idaho Falls XC-Ski Locations – (according to the Post Register) Given enough snow, two parks in Idaho Falls are groomed for cross-county skiing. Freeman Park and Tautphaus Park are open to skiers daily. Some of the other parks in town occasionally are groomed, but usually will have skier set tracks.

Additionally, on Fridays, Saturdays and Sundays, Sand Creek Golf Course will be open for XC-skiing for a \$1 fee.

If you want to snowshoe in any of the parks, stay off the groomed tracks.

Check with us on weekends that are not scheduled in advance. Even on domestic weekends we usually will go over to one of the parks to skate or classic ski or snowshoe with the dogs.
