IDAHO ALPINE CLUB GENERAL MEETING

"48TH Annual Membership Drive Party & Elections"

BRING A FRIEND AND ATTEND

WEDNESDAY, NOVEMBER 7, 2007, 7:30 PM

ST. LUKE'S EPISCOPAL CHURCH

270 NORTH PLACER AVENUE (ACROSS FROM THE YMCA)

It is that time of year again for the IAC annual membership party and to renew your membership for 2008 in the IAC. New this year is that the membership party is in November instead of January as before. This is because we want to get together before everyone is burned out from all the holiday parties and because it seems a lot of us miss out on the January meeting due to still being out of town or having guests for the holidays.

Come to meet new friends and renew acquaintances. The easiest way to renew your membership is to come to the party or, if you prefer, mail your dues to the club treasurer at PO Box 2883, Idaho Falls, ID 83403. If your address, phone number or e-mail address have changed, please be sure to include this. If you are new to the club, please complete a membership application which can be downloaded from the club website to mail. Or just come to the membership party to join and enjoy some food and drink with us.

Everyone is encouraged to bring a dessert or appetizer to share, as well as pictures and stories of the year's activities. Drinks will be provided. Come and enjoy yourselves. The party is open to the public and all outdoor enthusiasts are invited to attend.

For more information contact programs@idahoalpineclub.org, log onto the club website at www.idahoalpineclub.org, or contact Bob Tyler at 787-2601.

2008-2009 Idaho Alpine Club Council Nominees:

It's time to elect new council members for two-year terms beginning in 2008. Four club members have volunteered to run for the 2008-2009 Idaho Alpine Club Council. The new nominees are : Teak Cummings, Norman Coyne, Jim McBride, and Mark Whitham. If you are a current member of the Idaho Alpine Club and would like to run for council, please contact Bob Tyler.

We will hold the election of new council members at our general meeting on November 7. The council members' whose terms are expiring at the end of this year are Teak, Bob Tyler, Sandy Pew and Judy Williams.

Note: If you can not attend the meeting please forward your choices, prior to the November 7 meeting, to the Secretary or any of the council officers or mail them to P.O. Box 2883 Idaho Falls, ID 83403

Nominee Statement

I am Mark Whitham and have lived in Idaho Falls most of my life. I feel my previous experience and long time association with the club will be of a benefit to the club members and to the council. I was first introduced to the Idaho Alpine Club as a child accompanying my father on IAC adventures. I have previously served on the council for 3 years as a member at large. I have led many trips while serving as climbing, backpacking, and hiking coordinator over the years. Currently I am one of the cross country ski / snowshoeing coordinators. I am submitting this statement to the bulletin because I will be out of town visiting relatives the first week of November.

President Speaks

Summer's fires have been extinguished, the golden yellow of the aspens is now a memory and frost has nipped the tomatoes in the garden. If you are one of those people who endures our summers in anticipation of our winters, this is your time of year. Hopefully, we have a few more cold winters in store before global warming pushes southern Utah's climate northwards into our neck of the woods and we have to spend Januaries mountain biking at Grand Targhee. Let's hope that Mother Nature serves us a nice cold one and I'm not referring to beer. So if you're inclined, join us on one of our ski outings this winter or, at the very least, cozy up indoors with our entertaining programs at the library to wile away the time until spring.

Bob Tyler

PARK 'N' SKI INFORMATION

While we all would prefer to ski free, Park N' Ski permits have financed much of the cross-country skiing development in Idaho during the past several years. Purchasing a pass provides a funding source for ski clubs and agencies interested in maintaining and developing cross-country skiing facilities. Services offered to skiers vary from year to year depending on volunteer support, donations and revenue generated through the sale of Park N' Ski permits. Poor snow years and no support of the program often translate into low income, thus reduced services. When you purchase a \$25 annual permit, or a 3-day temporary permit for \$7.50, the money is dedicated by law to be used exclusively for improving cross-country skiing opportunities. When skiers purchase a permit, they are asked to designate a specific Park N' Ski area they would like to see improved.

For more information about the Park 'N' Ski Pick up a guide at one of the permit sellers in Idaho Falls, Pocatello, or Island Park. Two of the permit sellers in Idaho Falls are:

Eastern Idaho Visitor Info 505 Lindsay Blvd
Idaho Falls 523.1012

Please note: Ponderosa and Harriman State Parks are no longer apart of the Park N' Ski program. These parks provide Premium Nordic experiences and are subject to Premium Nordic Ski Grooming Fees.

Trail Etiquette & Safety

- Be considerate of other traffic on all trails.
- Yield to skiers on a downhill run.
- Make every effort to clear the trail if you stop or fall.
- Do not walk or snowshoe on either skier set or machine set ski tracks on marked ski trails. Note: Skiers may choose to skin up or run down a snowshoe track that is marked or may even parallel a ski trail to avoid breaking trail but that is their choice.
- Ski under control always; avoid trails that are beyond your ability.
- Register your trip at the trail sign-in locations; use trail maps and signs to plan your trip.
- Let someone know where you will be and when you expect to return before leaving town. Then stick to those plans.
- Ski with a partner, especially on the ungroomed trails and back country ski runs.
- Make it a habit to carry the 10 "E's"; extra gear, water, snacks, flashlight, a compass and or a GPS (with extra

batteries), trail or area maps, a cell phone (very poor reception if any except for on the ridge tops in most areas), and fire starting tools, even on short trips.

- Be aware that trail conditions can change greatly with changing snow, trail and weather conditions.
- Watch for and yield to trail grooming equipment.
- Keep your dogs under control (leash or in your immediate line of sight) and off of groomed tracks, and clean their refuse from the trail. Remember even other dog lovers do not care for someone else's dog showing up unsupervised, ill mannered, and leaving refuse in the trail.
