Jeff also received call from Boise requesting information about IAC. He will follow-up and report

Each council member was tasked with review previous minutes and seeing if there were resolutions passed that needed to be readdressed. Years discussed were 1992-1993, 2000, 2002, 2003, and 2004. George was prepared with 2005 but due to time restraints, we decided to hold discussion for next meeting along

with years 1994-1996 (Jeff) 1997-1998 (Alan) 1999-2001 (Ken). After all years have been reviewed we will draft up which to drop and which we need to keep.

Following items were also discussed:

How to increase club membership during January membership drive. It was decided to invite the trip coordinators to the next meeting to discuss Jan. presentation.

It was also discussed how to get people motivated to lead activities and to also include more moderate activities for the less experienced.
