

Notice To Referees

High School Games

The following format for all IFYHA House High School games:

“All games shall be played under USA Hockey Rules . . .

Junior Varsity Games shall consist of Three 11-min stop time periods with a five-minute warm-up. Each game slot shall provide for 60 minutes of ice time.

Varsity Games shall consist of Three 16-min stop time periods with a five-minute warm-up. Each game slot shall provide for 90 minutes of ice time.

It is important that we adhere to this format without deviation. Run-time is not allowed (all periods will be stop-time regardless of the time remaining). If due to unforeseen circumstances (i.e. stoppage of game for injury, or rink equipment failure), there is a need to curfew games, the 3rd period shall be the time remaining on the clock divided by two. Normally, there should be plenty of time for three full periods.

There will be No overtime periods or shootouts in the event of a tie!

Please note: USA Hockey Rule #637(e) states that time outs are not allowed during curfew games. Hence, no time-outs should be granted if requested.

The large clock by the Zamboni door will determine game start and curfew times. Please start the five-minute warm-up as close as possible to the scheduled game time.

Thanks for all your help!
